

RENNLYNE SIMIYU

Software Developer (Frontend Focused)

Nairobi, Kenya

Email: nanyamarennlyne@gmail.com

PROFILE

I'm a motivated software developer with a focus on frontend web development. Passionate about building clean, responsive and user-friendly websites. I enjoy solving problems through code and continuously improving development skills through personal projects and hands-on practice.

SKILLS

- ✓ HTML5
- ✓ CSS3
- ✓ JavaScript (Basics)
- ✓ Responsive Web Design
- ✓ Git & GitHub (Basic)
- ✓ UI Layout Design

EXPERIENCE

Hackathon Participant (Solo Project)

Participated in a hackathon as an individual developer where I designed and built a functional prototype under time constraints. This strengthened my skills in problem-solving and rapid development.

Personal Projects

Built a personal portfolio website using HTML, CSS and JavaScript

Designed multi-section layout including landing page, about, experience, projects and contact sections and implemented navigation with smooth scrolling and interactive UI elements

EDUCATION

OPEN UNIVERSITY OF KENYA - currently learning Cyber Security

INTERESTS

- ✓ Web Development
- ✓ UI/UX Design
- ✓ Building interactive websites
- ✓ Learning new technologies
